Strict medical health requirements

This insurance operates on the following basis:

- To be covered under this **policy**, **you** must be healthy, fit to travel and fit to undertake **your** planned **trip**.
- The insurance will NOT cover **you** when **you** are travelling against medical advice of a qualified **medical practitioner** or with the intention of obtaining medical treatment abroad.
- No claim arising directly or indirectly from any **pre-existing medical condition** affecting **you** will be covered unless that condition has been declared to and accepted by **us** in writing. Please note the definition of **insured person(s)** under **definitions**.
- Medical Declarations are valid only during the **Period of Insurance** in which they are made. On renewal of the **schedule of cover/policy**, **pre-existing medical conditions** must be re-declared to **us**. Any **pre-existing medical condition** not declared to **us** during the current **period of insurance** will not be covered under **your schedule of cover/policy**.
- No claim shall be paid where at the time of taking out this insurance (and in the case of **annual multi-trip** at the time of booking each **trip**), the person whose condition gives rise to a claim:
 - (i) is receiving, or is on a waiting list for treatment or investigations in a hospital or nursing home; or

- (ii) has received a terminal prognosis; or
- (iii) is travelling against the medical advice of a qualified practitioner or for the purpose of obtaining treatment abroad; or

We provide a 24-hour emergency service 365 days a year, and **you** can contact **us** on **+353 91 501 645**.

In the case of a serious medical emergency, involving anyone covered by this **policy**, please notify **us** as quickly as possible.

To comply with the terms and conditions of this insurance **you** must obtain the prior consent of MAPFRE ASSISTANCE Agency Ireland before incurring any expenses over €500, curtailing or extending **your trip** due to **your bodily injury or illness**. Repatriation of patients

If, in the opinion of **our** senior medical officer, it would be safe and preferable to repatriate a patient to **Ireland**, **we** will organise the repatriation. If **you** do not comply with this decision **we** reserve the right to withdraw cover with immediate effect.

The decision on the method of repatriation will be at

the discretion of **our** senior medical officer subject to consultation with the doctor in attendance.

Remember that in the case of patients requiring repatriation, the attending doctor must provide a certificate confirming that the patient is fit to travel, since without this the airline company operators reserve the right to refuse to carry any sick or injured person.

Confirmation of payment

Hospitals or doctors abroad will be contacted and their appropriate fees guaranteed, thus eliminating the necessity for **you** to make payments out of **your** holiday funds.

Expenses incurred in providing the above facilities will be met up to the limits specified in this **policy**. The operation and availability of the service will be governed by the same general terms, conditions and exclusions that appear in this **policy**.
